PROJECTED RATING

UNDERSTANDING THE RATINGS

New

Here is a preview of your district's Special Education Rating that will take effect with the 2018 report. This section shows what your rating would be if measures of students results were included in 2017. The new rating will combine the current 9 measures of procedural compliance with 6 measures of students' results. With this preview you can see the impact of the new measures on your annual rating.

APPEALS PROCESS

If your district wishes to appeal your rating, you must submit a completed appeal form and supporting documentation by **October 9, 2017**.

[Appeal Form](#) and [Instructions](#))

Districts or schools considering an appeal may contact the Office for Exceptional Children at determinations@education.ohio.gov.

PUBLIC REPORTING

The Ohio Department of Education reports annually to the public on the performance of each district's special education program, including their Special Education Rating. The report containing the 2016 ratings is available [here](#). The Department will add the 2017 ratings to this report in November 2017.
